(1TV OF NEW VORK & 29th July, 1841.

—This is to certify that I, Peter Green now employed in the engineer's department of the Narragan ett strambust, was for five years dreaffelly afflicted with diseased cyes, one of which became totally blind, and the other being so had that I could with difficulty see any thing. That after having consulted and employed some of the most eminent surgeons of this city and Philadelphia, none of whom were able to render neary unaterial assistance, and save in this or any other country—those of pure silver on y excepted. They will neither rust turnsh, nor lose their factors and at the same time adding in an astonishing degree to the growth of the Hair.
